## **Appendix A – Webb School**

### **I. Community Input**

On May 17, 2012 the District by and through the Department of General Services held a public hearing on the surplus designation of the Webb School. Additionally, the District received written testimony from the community until June 15, 2012. The results of both the hearing and the testimony received are below:

1. There was one request to retain the property for a future school or community use.
2. The community felt strongly that the Webb school should be reactivated.
3. The community had the following ideas for use of the Webb School:
  - a. Recreation Center with food court and various activities like a poetry, chess, dance and arts and craft clubs;
  - b. Renovated playground with monkey bars, swings and basketball courts;
  - c. Many also requested an addition of a pool at the Webb School that would be open to the public;
  - d. Continued/ adult education with an emphasis on workforce development;
  - e. High performing middle school;
  - f. Community facility, open to the public with educational programs;
  - g. Regulation Playing fields (Baseball/Lacrosse/Soccer/Field Hockey); and
  - h. Mixed use development which includes affordable housing.

### **I. Community Input**

On May 24, 2012 the District by and through the Department of General Services held a public hearing on the surplus designation of the Walker Jones site. ANC held a follow-up meeting on Saturday May 26, 2012. Additionally, the District received written testimony from the community until June 15, 2012. The results of both the hearing and the testimony received are below:

1. There were no objections to the surplus designation.
2. The community felt that there should be a development/ revitalization of the site.
3. Some community members expressed a desire to see Southern Baptist Church expand unto the Walker Jones site.
